

## WHERE TO FROM HERE?

The Fredericton Christian Forum is an unincorporated, interdenominational, non-profit Christian association established:

1. To bring Christ to the marketplace;
2. To bring Christians of all denominations together; and
3. To encourage a faith dialogue in Fredericton between persons from the business community, academia and government.

The Forum has carried out its ministry through supporting the leadership firstly, of Canon Tom Robinson in a series of monthly prayer breakfasts, and for the last twelve years, through supporting the Advent and Lent luncheon addresses of Bishop Bill Hockin and more recently, Dr. Barry Craig. In supporting these prophetic ministries the Forum has been highly blessed. However, for every season there must be a beginning and an end.

For this reason, the leadership of the Forum is currently examining the future direction of its ministry, and would like to consult you for your views. Please take the time to prayerfully consider and respond to the following questions:

- 1. What have you gained from these noon hour lectures?**
- 2. What is the area of greatest need that you can identify for those who are searching for meaning in their lives?**
- 3. What opportunities exist in Fredericton for presenting Christ to those who are searching?**
- 4. Where would you suggest the Forum go from here?**

Please email your responses to [spinney@nbnet.nb.ca](mailto:spinney@nbnet.nb.ca). Thank you for your feedback.
